OFFICE OF THE DIRECTOR,

Dated Bangalore, 28th February 1937.

FROM

S.G. Sastry, Esq.,B.A.,M.Sc.,F.C.S.,
Director of Industries and Commerce in Mysore,
Bangalore (India).

To

M. Venkatanaranappa, Esq.,B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

I have the honour to request that I may be permitted to bring to the notice of Government the good work that is being done by Mr. H. Govinda Rao, Superintendent of Sericulture. During my inspection of the sericultural areas, I was able to appreciate the extent to which the private sericulturists were being benefited by the services render-ed by him and his Department. The industry is now passing through a period of severe depression and the protection granted to the industry by the Government of India, though inadequate, has to be fully availed of and measures have to be adopted for reducing the cost of production of silk. This work entails great initiative, resourcefulness and co-ordination. The noticeable improvement in the industry in several places is largely due to the scientific ability, foresight and tact of the Superintendent in dealing with the ryots in the affected areas. He possesses a peculiar knack of organising sericultural work amongst our country folk who follow his advice with confidence and respect. Mr. Govinda Rao is a big asset to the Department. Having regard to the importance of this work, he was recently relieved of his duties in the Government Silk Weaving Factory which had been working under his control since 1931.

Mr. H.S. Govinda Rao was appointed Superintendent of Sericulture on 25th January 1927 in the grade of Rs 250-25-500. He reached the maximum of the grade in the year 1935. Since then he has not had any promotion. I am anxious to preserve the identity and compositeness

compositeness of the Department of Sericulture under my administrative control and at the same time I should bring to the notice of Government that his claims for promotion should receive careful consideration of Government. I recommend that he may be appointed in the grade of Rs 500-25-600 and started on a salary of Rs 550/-. This promotion is necessary to enable him to command sufficient prestige in the discharge of his duties. I request you to kindly obtain early orders of Government and communicate to me.

I have the honour to be,
Sir,
Your most obedient servant,

Director
